# Ask Nana

E-mail your questions to [nana@keywestgayrag.com](mailto:nana@keywestgayrag.com)

Dear Nana,

*I've been kind of seeing this guy for a few months. We aren't really dating but basically just havin sex. He comes over once or twice a week, we tear our clothes off and go at it like animals. But then as soon as we're done, he's in the shower and then out the door. No cuddling, not much conversation and we never do anything outside of the house. I'm really starting to like him and would like to have a real relationship with him but I also don't want to lose this great "friend with benefits" by pushing the envelope?*

Well, boo bear, this might just be a case of you can't have your cake and fuck it too! Beleive you, me, that I do not take amazing sex lightly. Great sex is nothing to shake a stick at... well... oh never mind. It is natural when you find someone that you have an amazing physical relationship with that you would want to develop that relationship further. But be forewarned... all people can't be all things to us all the time. You say you "really

like" him and want to have a deeper (stop it) relationship... but you don't really "know him" all that well. You're assuming that you will connect as well emotionally as you do physically. This might be true... but it's not a neccesarily so. Be careful you're not turning him into a boyfriend in your mind that he isn't really meant to be. And in the end (stop it!) you'll both be what you are meant to be in regards to one another. In the mean time, enjoy all that sweaty carnival sex!

*Dear Nana,*

*Do you have any plans for Valentine's Day? Anything romantic or fun?*

Are you kidding me?! At my age anything that gets my heart beating faster than a resting rate could easily put me six feet under. Besides, I'd rather buy my own chocolates, take a hot bath and watch an old Richard Burton movie... I tell ya, I would have loved to have had a "night" with his "iguana"! The last few years, though, some of the other ancient broads I know have been gettin together for a swinging singles valentine's day. And I have to say, if you don't have someone between your sheets, it's worth spending Valentine's day between a bunch of good friends. We all get together at one of our houses, cook a huge meal, open about a dozen bottles of bubbly and then hire a stripper! You should see the look on that young stud's face when he walks into a house full of horny octagenerians who haven't had sex since the Truman administration!

*Do you have problems? Of course you do!! Why not let Nana help you?! Send your questions to:  
Nana@keywestgayrag.com.*

# FROM THE MOUTHS OF BABES

by: **Brad Loekle**

I was recently sitting around a pool with a few male escorts, a drag queen, and a few other assorted gaylebrities and celezbians. Due to the subject matter of our conversation, I am going to be as vague as possible about the identities of all the parties involved and our location. But let's just say we were south of the border at a resort filled with 800 gay men and the topic of recreational party favors came up. I had mentioned how I was amazed that everytime I leave the country with gays, they always seem to be well supplied in their party favor of choice. Whether it's something to smoke, snort, swallow or shoot, gay men always seem to have a portable party waiting to go! Now trust me, I am not complaining. I love that our boys will go to any lengths to keep the good times rolling... literally. But I had started the conversation that day because I just didn't understand how they bring it all with them. Sure, before 9/11 you could have a carry-on that had a kilo of cocaine and a Mexican baby in it and no one would have batted an eyelash. But nowadays Tyrone and Tameka will tackle your ass to the ground if you try to smuggle in some Suave conditioner! I asked my motley crew of compatriots if they had an insight to this. I imagined all sorts of complex smuggling techniques: Shaving cream cans that unscrew, prosthetic limbs that have been turned into adult-style pinatas, or even a hollowed out copy of the latest Oprah Book Club selection. Or were they industrious little queens merely buying drugs in each new foreign locale? I couldn't imagine that some of these boys... who barely spoke English, were spending their weekends with some kind of black market Rosetta Stone... learning how to say eight ball in Portuguese.

And then, the youngest and most innocent looking of the escorts batted his doe-like lashes and told me his secret formula for such behavior. Oh, and let this be a lesson to you that the more innocent a prostitute looks... the more ingeniously naughty they are.

He explained that all he does is take his drug of choice, double bag it in condoms and stick it where the sun doesn't shine. I immediately asked how he got around the potential for a body cavity check. I mean, after all, when a young gay hustler walks through security... someone industrious young security person is eventually gonna try to get a "freebie" out of the whole experience. Well, without re-batting his doe-like lashes he said, "Simple Brad, after I put the condom with the stuff in there, I unwrap another condom, but a half a pump of Jergens in the tip, and only put that one half way up my butt..... because, come on.... what red-blooded, blue collared airport security person is gonna keep looking for stuff after they find what looks like a used condom in your butt!"

I was simultaneously amazed and grossed out. And no matter how you feel about drug use... or hookers for that matter... you have to admit that the creativity of that whole scheme is truly breathe taking. It was also the inspiration for the his new nickname, based on the TV series where a man could turn a pine cone into a hand grenade was now: McGayver.

# Tom Judson's Canned Ham

Directed by Kevin Malony

So what do you call a guy who's been a carpenter, porn star (award winning no less), composer, actor, musician, push cart vendor and a slew of other occupations?.....Only one person can possibly fit the bill – Tom Judson (aka Gus Mattox for those of you who might know him by his screen name thanks to his work for adult film makers like Falcon).

In 'Canned Ham', his one man show playing live 10PM at The Tropic on February 4 & 5 and 11 & 12, you'll hear Tom tell his life story in words and song, playing 6 or so instruments along the way including his iconic accordion (while wearing a jock no less!). 'Canned Ham' has been called "funny, poignant, goofy and

thoughtful". You can add a serious dose of eye candy to those adjectives - while not X rated by any means, 'Canned Ham' does have some serious R moments when Tom first appears on stage.

One of the most interesting parts of Canned Ham is the story of how he went from a regular guy at 40yrs old, to escort to porn actor, eventually winning the adult film equivalent of an Academy Award for best performer. Chi Chi Larue figures prominently in this part but it would be spoiling the story to say how.

Without giving away any of the important stuff, Tom's telling of his Broadway career includes an anecdote of dropping a girl while dancing in the show Cabaret – dancing is apparently not his strong suit though he appeared in Broadway tours of 'Cabaret' and '42nd Street'.

Throughout the show, he plays a wide range of instruments. For that reason, it's no surprise to find out that he wrote the score for the Oscar nominated film, Metropolitan (1990).

'Canned Ham' is a pleasure to watch because Tom is a natural born story teller. As you listen to him tell the audience his life story, you can't help but imagine what might be next for this thoroughly engaging guy. And whatever it is, you hope you'll get to hear about it sometime soon.

# Whore--Scopes

Since pretty much everyone on Facebook seemed to believe that there were new zodiac signs, we've decided we're going to make some new ones. Check out your new sign and the traits associated with that sign.

## **Hemorrhoid**

**Jan 20 – Feb 18**

You're a complete pain the ass and you have no good qualities. Everyone hates you.

## **Yugo**

**Feb 19 – Mar 20**

You're cheap, ugly, and though you were popular in the 80's, no one wants to be around you anymore.

## **Speed Bump**

**Mar 21 – Apr 19**

You just lay there and serve no good purpose except to get in everyone's way. If you would only get the hell out of the way, the world could move a lot faster.

## **Toilet**

**Apr 20 – May 20**

Though you do serve some good purpose for those around you, in general, you're just full of shit.

## **Candle**

**May 21 – Jun 20**

You are sometimes very bright but that all changes once someone blows you.

## **Balloon**

**Jun 21 – Jul 22**

You have the ability to be any size you like just by monitoring how much you put in yourself. I have news for you. You're ready to burst!

## **Cookie**

**Jul 23 – Aug 22**

You're sweet and everyone loves you. That is, until they've had you. Then they regret it.

## **Slinky**

**Aug 23 – Sep 22**

You serve no useful purpose at all yet everyone has had you.

## **Garage**

**Sep 23 – Oct 22**

You're pretty much only good for one thing and that's for people to shove things into you.

## **Space Shuttle**

**Oct 23 – Nov 21**

Though some people still seem to find you useful, in reality, you are very old and should have been taken out of service years ago.

## **Bicycle**

**Nov 22 – Dec 21**

Some are new and fast, and some are old and barely functioning, but regardless, everyone's hopped on you and had a ride.

## **Fire**

**Dec 22 – Jan 19**

Everyone that goes near you gets burned. When properly controlled, you can be useful but many people that think they can control you, lose that control and you destroy everything they love.
