Welcome to Paradise!

This month, Key West is proud to host our third annual Tropical Heat party.

This four day event is all about getting HOT and we're not talking about the temperature.

Check your inhibitions at the door and come on in for some steamy events.

Getting Around Key West

Now that you're in Key West, you probably don't need a car. Parking is challenging and expensive. After a night of drinking on Duval, you definitely don't want to drive anything. Even riding a bicycle while intoxicated will get you a DUI.

If you are lucky enough to be staying in old town, walking is your best bet.

For short trips, try a pedicab. They are a unique way to get around and your partner will give you bonus points for the romantic ride home.

Taxis are just a phone call away and arrive within minutes. Any bartender will call one for you.

Scooters and bicycles are inexpensive to rent and can be a fun way to see the island. Please ask for proper training and information about local laws. Scooters may be parked at designated motorcycle spaces and there are bicycle stands all over. If you forget to lock up your bike, you won't see it again.

Electric cars are fun to explore but still require a standard car parking spot. Electric cars are not permitted on North or South Roosevelt Blvd.

Don't drink and drive. You might spill your drink.

Angie Baby
worships at
the feet of
GODDESS

When townsfolk encounter your Angie, they usually avert their eyes in pity and mumble "Goddamn."

When Key West sees Rick Dery, they think Goddess -- according to Wikipedia, a female deity.

I first encountered our island deity at Atlantic Shores (510 South Street) -- Jurassic memories vivid enough to summon a tear, if I had feelings.

There's Katey, too, asking trivia on the microphone...Chairboy Cory...Audrey bringing beverages 'round as she hopscotches loungechair pickle and beaver. Up on the poolbar roof, is that Junior dancing in a towel? And your Angie, drunkenly wanting to lick Paul's eyeballs.

I came to quickly admire Rick's withering, yet subtle, putdowns of putrid tourists and his deft manipulation of pop-culture references, all in a sonic-boom voice. I was impressed. And kinda afraid.

I still am.

Goddess Galore is currently the midnight provocateur of peni at KWEST (705 Duval Street) Saturdays, encouraging exhibitionism for Amateur Strip Night. Squint, and Goddess is Joey Heatherton. Or what became of her.

My incarceration extended beyond the court-ordered 30 days -- a surprise body cavity search unearthed my grade school cheerleading baton and a half-bottle of Fresca -- I had to rely again on technology after I goaded Goddess into a GAY RAG Q/A. I was permitted limited access to a deputy lounge Commodore 64 after I bestowed favors upon a line of pantsless officers.

Who else but a self-anointed Goddess can flatly claim, when I cheekily begin by asking about turd texture, that "I don't have bowel movements."

When I question this anatomical anomaly, it is explained that "I don't eat real food. It makes me ill."

More, from our exchange of she-mails:

Anyone who has smoked a cig with Shirley Q. Liquor and cites "any Gabor sister" as a role model dazzles the piss outta me.

Oh, Angie, lots of folks inspire me... showbiz types like Mrs. Miller, Yma Sumac, Edie Gorme. My major inspiration was a slut who worked at a local shoe factory where I grew up named Trigger Kwasniborski. She wore mini-skirts, high heels and cashmere sweaters to work every day. She had massive blonde hair piled so high she had to wear XL scarves. And let's not forget Midnight-blue mascara. What a woman!

Do you pay her royalties? She's the Goddess template!. You're Rusty Warren with an Adam's Apple, Baby Jane Hudson with a champagne bouffant more lacquered than the Heron House doors.

You can't go wrong with Aqua-Net SuperHold.

Share with your Angie the nurturing, care and feeding of Goddess Galore.

The name was given to me by J. R., bartender extraordinaire in the old Pappion days. I would often sarcastically refer to hopeless, tiresome folk by exclaiming "she's a Goddess, everyone knows it!" The tables were turned, and I got the moniker. The last name is, the surname I share with my sister Pussy Galore.

Any other a/k/a's?

I've been called lots of other things, but Goddess and whore seem to be the most common these days.

I met you first at Atlantic Shores, tag-teaming with the fabulosity that was Ronda Riviera.

I miss the bitch terribly. I do not think I will ever have a better friend, or know a more caring or loving person.

I simply coveted her lopsided, SUV-sized black wig.

She was a perverted bitch, but that only added to her charm. She made white trash exotic!

Challenge my BOTOX with an amusing anecdote from those halcyon days.

There are sooo many, darling! One quiet weekday afternoon, I was walking up the steps to the bar. I heard a humming sound. I didn't pay much attention, going about my business, but I was still distracted by it as I wiped down the bar. Fearing a pool filter problem, I peered over the rail. There, in the shallow end, was a 300 lb. man, about 60, naked and wallowing in the water -- not unusual, but that he had a hose-like attachment connecting his mid-section to a large machine whirling and pumping away! It could have been his Jarvik-7 artificial heart. Or portable iron lung. Who knows? I fled. A few minute later he packed up and left. I am still appalled.

And then Key West was left Goddessless for a spell. Tell us about your year-long reign in Key Largo.

The convent wouldn't take me a second time, and I needed a change, so I went to work construction. It's very quiet there. Most people spend their free time fishing and accumulating DUIs. Oh yes! they drink as much in the Upper Keys as here. More often, though, it is done in Spanish. I had to come home where the heart is. What a wonderful place Key West is. When you're feeling down, look around and be oh-so-thankful you're not in Newark.

Yet the malcontent shut-ins on Craigslist either gloat about declining property value or kvetch about how dismal it's become.

Pining for those 'good old days' is just a sign of depression/stagnation.

So there's nothing you'd change?

Oh, my dear Angie, Key West is changing enough on its own. There's no reason for me to add to it. I take what I can get and enjoy it. It is all about the love, bitches!

I don't care if people shoot heroin daily, smoke crystal meth, huff rug cleaner, anything like that. But don't tell me you're depressed or have relationship problems when you do those things. I am not here to judge. I have the option, though, to not appreciate your choices. It just makes sense to not live like a total asshole. You can't repeat this life.

But if you could score a rerun, what would Goddess Galore come back as?

Honey, I've been reincarnated a thousand times already. I am over it! I want Nirvana... now! But if I don't get that, then I want to be a 250-lb Afro-American lady from Detroit. Like the last time.

So does our Goddess have a God?

Men are no good. Most of them are stupid. Those who are not intellectually-deficient are usually inclined toward criminal activities or psychoses.

Those are known facts. But cum now: no one's prodding you with his scepter?

Angie, the only good relationships are those without sex. The only good sex is the kind without a relationship. My favorite recipe is 4 ice cubes/splash of Rose's Lime Juice/3 cups Bombay Sapphire Gin. Pour into glass. Serve. Wait 15 minutes and your trick's afternoon and wallet are yours. But I just don't feel amorous anymore. It's too much bother... and it can be very messy.

Your world-weary voice is distinctive --

It has come in handy. Cigarettes help. That, and so many years of bellowing in bars, begging for service.

-- and you've put it to use in various entertainment media: from television with our Southernmost Queen LaLa Belle, to host(essing) or singing at various fundraisers/benefits/pageants.

My association with Miss Belle goes back, I believe the show aspect began in 1998. At that time, I was a parrot puppet named Polly. After about 6 months, Polly fell apart. As I resemble a parrot so much, I started to sit there in my loungewear. The show has always been a wonderful experience. I so enjoy raving on television.

And those live events, usually staged, staffed and supported by the inebriated?

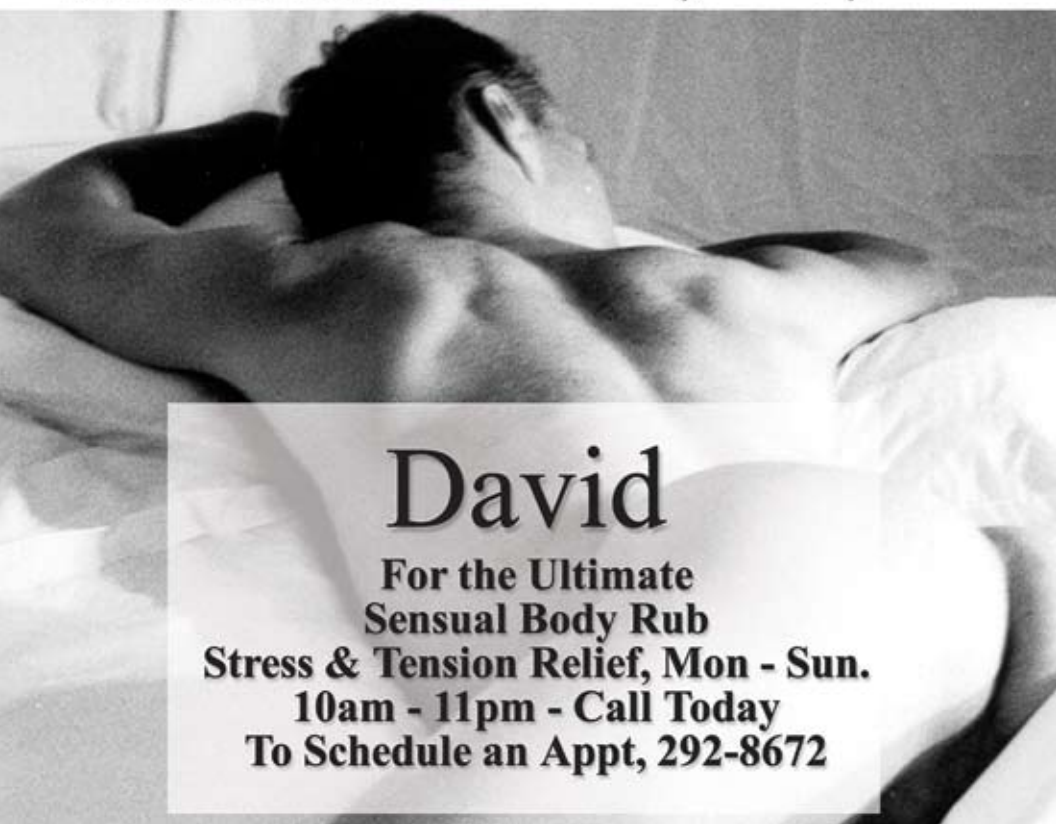

I don't get stage fright. But a girl has got to be sharp and I stay on my toes. I do not like drunkards onstage. Hence, I never am. I don't think I have ever been in a situation I did not get out of well. Not yet, at least. The most important part about being an emcee is that people are there to be entertained. I try to do that. It's all about the audience.

Or fishing genitalia from their trousers. You coax out a lotta cock at KWest. Tell me about your Dad and/or brother's peckers.

Nobody in my family ever undressed. I have not seen a single part of their anatomy. I did once see my Mom in a 42 double-D projection bra and panty girdle. Does that count?

Well, uhm, it explains a lot.

Aquarius

Jan 20 – Feb 18

The stars foretell that your boyfriend will run off with a tractor salesman before the end of the month. You will come into the kitchen one morning, and on the table will be a "John Deere" letter.

Pisces

Feb 19 – Mar 20

You are in Key West, for God's sake! Why are you in a bar reading horoscopes? Go to the beach you loser!

Aries

Mar 21 – Apr 19

Be cautious of being around large dogs, bears, and sharks this month. This is generally good advice to heed all of the time.

Taurus

Apr 20 – May 20

Late in the month a very hot, blond man will appear on your doorstep. In your rush to splash on your cologne, you will fall over your dog, break a mirror, and badly scrape your knee. Let me save you all of this trouble. When this scenario occurs, just hide behind your couch. The guy will be from the I.R.S.

Gemini

May 21 – Jun 20

Did you enjoy Spring Break?? All those hot young boys?? Those firm chests?? Those tight buns?? Those.... Oh, screw it. I'm going to take a cold shower.

Cancer

Jun 21 – Jul 22

Try to be more satisfied with your lot in life. Remember that the grass is always greener on the other side of the septic tank.

Leo

Jul 23 – Aug 22

Try to keep in mind that your life could always be more dull than you thought it was. To prove it to yourself, take a tour on the Conch Train. It is the gold standard of tedium.

Virgo

Aug 23 – Sep 22

Not wanting to imply that you're a redneck, but you need to accept the fact that "deliverance" was not a love story.

Libra

Sep 23 – Oct 22

Some advice for your relationships this month... Love sucks; True love swallows.

Scorpio

Oct 23 – Nov 21

If you're still considering becoming a drag queen, forget it. Even with professional help, you will still come out looking like a cross between Dame Edna Everidge & Ivana at 801.

Sagittarius

Nov 22 – Dec 21

Your confidence is on the wane this month. You think that you are fat and unattractive. Sorry to break it to you, but you are.

Capricorn

Dec 22 – Jan 19

Your luck will be especially bad in the latter half of the month. It will be so bad, in fact, that you could fall into a bucket of dicks and come out sucking your thumb.
