Ask Nana

E-mail your questions to nana@keywestgayrag.com

Nana:

I am a 60 yr.old widow/FAG HAG/FAIRIE FLY(Gen -X term), from Ft, Lauderdale. I'm a frequent visitor to KW and have several "boyfriends"(gay) there. Reading an article of yours in a late 2007 issue, I was laughing, because I have given a lot of advice to my boys, that sound so much like your advice....My grandchildren call me NANA too....Anyway; my question is one of the issue of "top" and "bottom". As a bottom, besides the penetration from the "top", is there is "sweet spot" that makes the bottom have an orgasm or does the bottom have to enhance the experience with self masturbation? We women have a "G" spot, do men have an "A" spot? I've asked this of one of my guys but never seem to get a straight answer.

- NANA II

Well hello, fellow Nana! First off, I know I am not the best lookin' broad anymore, but I am CLEARLY a woman... I guess I need to have new pictures taken !! I am more than happy to relieve all your "anal tensions", though. There is an A spot, so to speak, but only men have it. So if one of your suitors want to breeze down your Hershey highway, tell him it's a toll road and get at least a good steak dinner out of it!

The thing boys have that makes getting their poop shoot pounded so enjoyable is the prostate. I guess since it gives them so much trouble at our age, it might as well give them a little pleasure when they're younger! When the prostate gets stimulated through anal sex, it is almost like they are getting a blow job from inside. Not too shabby, huh?! Now, that being said, I am sure most boys still choose to "enhance the experience with self masturbation".... But, lets be honest, what experience ISN'T enhanced by self masturbation!

Nana,

I've always heard that drinking a lot of caffeine (coffee, mountain dew, etc) lowers your sperm count considerably, is this true??

If that were true, no one in my generation would have been able to reproduce! My late husbands drank coffee like it was water and, believe me; he was as fertile as a rainforest. But, darling, let's be honest... you're as gay as a three dollar bill... sperm is nothing more than confetti for you... so enjoy your mountain dew and stop working about your own dew!

*Do you have problems? Of course you do!! Why not let Nana help you?! Send your questions to:
Nana@keywestgayrag.com.*

Getting Around Key West

Now that you're in Key West, you probably don't need a car. Parking is challenging and expensive. After a night of drinking on Duval, you definitely don't want to drive anything. Even riding a bicycle while intoxicated will get you a DUI.

If you are lucky enough to be staying in old town, walking is your best bet.

For short trips, try a pedicab. They are a unique way to get around and your partner will give you bonus points for the romantic ride home.

Taxis are just a phone call away and arrive within minutes. Any bartender will call one for you.

Scooters and bicycles are inexpensive to rent and can be a fun way to see the island. Please ask for proper training and information about local laws. Scooters may be parked at designated motorcycle spaces and there are bicycle stands all over. If you forget to lock up your bike, you won't see it again.

Electric cars are fun to explore but still require a standard car parking spot. Electric cars are not permitted on North or South Roosevelt Blvd.

Don't drink and drive. You might spill your drink.

Celebrity Sellouts

by: **Brad Loekle**

Why do we buy things from celebrities? It seems to have been going on forever, and I can't figure out why. If you look back in ads for cigarettes from the '40's and '50's you see Bette David and Joan Crawford telling us what brand they sell. And in our modern times, nothing has changed. We bought hair products from Cher in the 90's... why, I don't know. Is anyone even sure if we've seen her real hair in the last twenty years?? And then there is the billion dollars that George Foreman made off of making his grill. What made a former boxer the right person to sell us a table top grill? Why would I ever buy anything a fighter invented... don't they get hit in the head for a living??! My current favorite is Lindsey Wagner selling the sleep number bed. You know the ad. It starts out with her saying; "Hello, I'm Lindsey Wagner and I'm 35... not really, but my sleep number is 35". No shit not really! She looks 100! She looks like she hasn't had a good night's sleep in years... so why is she selling a bed?! Why would anyone buy anything from a celebrity, especially because it never seems to be good celebrities selling these things?! But, I'm an idiot and I buy a lot of things late at night when I'm... drunk. So, I was in the market for a new bed and I figured I'd give the Ms. Wagner's bed a try. And, I have to admit, it is a great bed. There is only one problem that the Bionic Woman didn't warn me about... you see, I like to sleep at the number 37, but I like to make sweet lovin' at a 42. I cannot tell you how (not) sexy it is for me to try and lean over the side of the bed to adjust it while trying to get another man's pants off at the same time.... Not cute, kids.

I wonder what the next big run of washed up celebrity sales people will be... Will Britney Spears revive the Bedazzler? Will Sole Moonfry sell me salad spinner? Or perhaps I'll buy some miracle teeth whitener from Joyce DeWitt!?

But who am I kidding? I'll buy anything. I saw a commercial just the other day that got me all jazzed up and ready to break out my wallet. It was this high energy pitch with all these hot young people mountain biking and swimming and sea kayaking... and I thought, GOD! I have got to go get herpes! I mean those people in the medicine commercial look great! I would put up with the occasional dick sore if I could be tan, muscular, and able to afford a sea kayak! But then I said to myself, "Brad, that's ridiculous.... You can't "buy" herpes.... Herpes is something you have to earn!"

Brad can be seen on TruTV's new series "The Smoking Gun Presents"(Thursdays 9pm). And heard on Sirius Radio "Out Q in the Morning" (Wednesday 7-11am). For more info on Brad, check out www.bradloekle.com or www.myspace.com/bradloekle .

PrideFest Key West '08

***John C. Giuliano, Executive Director
Key West Business Guild
GLBT & Allied Chamber of Commerce Since 1978***

June 7 -15 is PrideFest Key West, but if you aren't here that week, Key West has plenty to be proud of all year long: The City's official motto is "One Human Family"; The Business Guild is one of the nation's first gay and lesbian chambers of commerce; established in 1978; and Key West has been welcoming GLBT visitors and their friends long before that time.

Key West has its own Gay and Lesbian Community Center (GLCC) complete with Museum and Archive, the Guild's Visitor Center located within The Center, the nation's only Gay & Lesbian Trolley Tour, and the only City Aids Memorial in the Country.

If you are in town during the June '08 festivities, PrideFest is produced by the GLCC and consists of: Dance and cocktail parties, Mr, Ms, and Miss Pride contests, shows, street fair and the Pride Parade along Duval Street.

The Guild holds its annual Pride Party, a cocktail party at the world renowned Island House Resort. The Island House for men opens its doors to men and women for this event and will provide complimentary well drinks, domestic beer, house wine and hors d'oeuvres.

The Guild Pride Party is Wednesday, June 11th from 5:30 to 7:30 PM at Island House Resort, 1129 Fleming Street, enter from White Street. Everyone is invited and admission is \$15.00, which benefits the GLCC and the Guild.

Visit PrideFestKeyWest.com for the schedule of events and GayKeyWestFL.com for all Key West information and to find out about year 'round events for the GLBT Community & their friends.

KEY WEST BUSINESS GUILD

Whore--Scopes

Aquarius

Jan 20 – Feb 18

Hurricane season is approaching. Make sure you have all the needed items such as batteries, water, condoms... who are we kidding... You don't need condoms when you're alone...

Pisces

Feb 19 – Mar 20

At your best, you master your attention deficit and use curiosity to find unique solutions to any problem. At your worst, you're full of hot air. Take relationships. You are so notoriously fickle when it comes to love that I bet you don't even mind that gays can't marry.

Aries

Mar 21 – Apr 19

Walking down the street, it's impossible for you not to notice a stunning pair of eyes over here and a sensual mouth over there. You put them together like some men put together fantasy football teams. As for landing the catch to end all catches, good luck with all that.

Taurus

Apr 20 – May 20

There's nothing you dread more than the prospect of waking up next to your lover of the week for the rest of your life. It's not that you are incapable of love, far from it. But you tend to have a crush to match each of your split personalities. How to choose just one?

Gemini

May 21 – Jun 20

You like to lead in business as well as pleasure. You've got a hankering for the corner office, if only because it gets good light and will allow you to show off your vintage modernist furniture to its best advantage. Call it expensive, call it snotty, but under no circumstances call it Ikea.

Cancer

Jun 21 – Jul 22

People let you be motherly because you do it with a zeal that borders on obsessive compulsive disorder. You embody an army of Italian/Polish/Mexican/Armenian Grandmothers who insist that even the Type II Diabetics among us must be starving.

Leo

Jul 23 – Aug 22

Sorry honey, Ross is NOT the place for the latest fashions....

Virgo

Aug 23 – Sep 22

You have the special claim of being the one and only female sign of the zodiac (even the goats are men), so you radiate a special kind of energy that has been worshipped since the beginning of human civilization. What does that make you? Why, a man-goddess of course.

Libra

Sep 23 – Oct 22

You're the ultimate girly-man. I guess in your line of work (being gay, that is) it's not a bad thing. Whenever the boys stop by for a visit you've got the coffee and the gossip brewing, always ready to employ the most cunning pie-diplomacy where ever it might be needed

Scorpio

Oct 23 – Nov 21

When it comes to voyeurism, you reject the flashier elements of gaydom. You won't be the queen leading the parade in a pink feather head dress and sequined thong, but maybe you're the thoughtful character who ran around with a clipboard putting the whole outfit together.

Sagittarius

Nov 22 – Dec 21

You will find yourself in the gym more often this month. You will see no improvement in your body only because you spend all of your time in the steam room.

Capricorn

Dec 22 – Jan 19

As sister season approaches, you will be relieved to know that it doesn't mean you have to sleep with your actual sister.
