# Ask Nana

E-mail your questions to [nana@keywestgayrag.com](mailto:nana@keywestgayrag.com)

Dear Nana,

*I've been seeing a guy a few months now and he's great. We have a great time together and I could easily see us moving in with each other in the long run. The only problem is that he is extremely well endowed. So much so that it is really hard for me to bottom for him. I want to, believe me, but it's just literally a lot to take. So we're not having as much sex as he would like and I'm worried that will hurt our new relationship in the end. Any advice??*

Your only problem is that your amazing, charming, loving new boyfriend has a big dick?! Are you kidding me??!!!! We're in the middle of an economic depression, 11 wars, and I haven't had a proper orgasm since the Eisenhower administration and you're going to complain to us about your boyfriend's two ton tallywacker?! Well I hope you don't win the lottery this month either, because that will just ruin your whole year, won't it?! Listen, tight ass (and I mean most loving and literal or ways), take some Pilates (or some pain killers), get on your back and shut the hell up! Best of luck, though, and I expect a wedding invite!

*Lately I've been noticing that a lot of the people around me have a tendency to take advantage of me. I don't mean my family and good friends, but more my co-workers and general friends and those sorts of people. I've always had trouble saying "no" to people, and I hate conflict and fighting. But I also feel like I'm getting spread too thin by people wanting stuff from me all the time. How do I fix this without alienating lots of people?*

There is a very simple way to fix this, dear. Though I don't know if you're going to love the answer... BE AN ASSHOLE! People ask you for things because they know they can get them from you. If people think they won't be able to ask for the stars and the moon, and are even a little nervous to do so, then they will be less likely to take advantage of you every other minute. Now I'm not saying be an asshole all day and night to everyone around you. But, for instance, if someone you go out to eat with regularly is never paying their full share of the bill; then maybe pissing them off so they'll eat out with you less isn't such a bad thing! I don't know about you, but nothing chafes my thighs more than having lunch with a friend and I end up paying \$25 for a grilled cheese sandwich and a Sanka! When I was a girl, sometime around the cretaceous era, I remember my aunt complaining to my mother that, though my mother was respected and liked throughout our town, people never seemed to burden my mother with all their bullshit. My aunt, equally loved and adored, was much more of a pushover than my mother and was clearly carrying anyone's burdens if they'd let her. My mother told her one thing that saved my aunt from this ever happening again, "Sometimes it's better to be feared a little than loved a lot".

*Do you have problems? Of course you do!! Why not let Nana help you?! Send your questions to:  
Nana@keywestgayrag.com.*

# NEW RULES (GAY EDITION)

by: **Brad Loekle**

As someone who makes a living as a gay entertainer (that's right kids, this is the real "gay for pay"... I know, I'm disappointed too), I get to see the full spectrum of gay life in America. Especially at this time of year, when I zigzag all over the place performing at gay prides, parades, bear runs, clothing-optional-trans-gendered-BBQ's, and so on. No one is prouder of our people than me. But since I get a chance each month to talk to the gays through this article, I thought I would share some new rules I think we need to enact in the coming year. You may agree or disagree... though if you disagree it probably means you are an offender of that rule. Oh, and for any straight people who happen to be in Key West on vacation and happen to read this in passing; please understand that I am talking to "my people" right now. Just because I'm a gay on TV and I make a comment on my own people doesn't give you the right to say the same thing I said to a gay you know in your life. I know that's a double standard. Boo hoo. Just because your teenage nephew in Ohio listens to 50 Cent and wears his pants like a prison bitch, doesn't mean he gets to call the one black kid in school his "nigga". Get the idea, breeders? Good. So, here are some of the new rules I've come up with as an ambASSador of our people:

**\*Unless you're being paid to wear it, no more body glitter! And even those of you who do get paid to wear it, please remember you're wearing it when you try to hug/kiss me. Every time one of you shiny bitches hugs or kisses me, I leave the room looking like I just topped a unicorn!**

**\*If you're a gay man under 55 please leave the "relationship status" section of your Facebook profile blank. Permanently. If I have to watch 50 more friends statuses change from "single" to "it's complicated" to "in a relationship" back to "it's**

complicated” back to “single” in less than 24 hours... I will literally shit in your mouth. You want to know why Facebook is slow and glitchy half of the time? It's because you teen-queens can't stop changing your status! Just because he swallowed doesn't make it “complicated” or a “relationship”.

\*Stop debating Lady Gaga vs. Madonna as if it were a civil rights bill up for a vote on the floor of the congress. If I'm in one more gay bar in America this summer and see people literally come to blows over this topic, I will have to begin gay bashing people myself! I haven't seen this many gay men fight over two ugly chicks since I went to the Liza Minnelli/Lorna Luft concert in '96!

\*Gays- enough with the scarves! I am no fashionista, but even I have grown tired of the Arabian scarf look. It doesn't make you look European; it makes you look like you just came from a Stevie Nicks concert... in 1987. You would think a trend like this would die in the summer weather at least... but oh no! It was 99 degrees and as humid as a whale's vagina the other day, but I still counted dozens of twinks with these bulky scarves on! You've been warned: even if you are blonde haired and blue eyed and look like Hitler's wet dream... if I see you in one of those Middle East scarves, I'm calling Homeland Security.

\*Oh, and one personal pet peeve... If you are my friend on Facebook, and you send me a virtual hug, or cocktail, or send me a pear tree or a sad chicken for my “farm”... I will find where you live, I will knock on your door, and I will throw bees at you. You want to show your love buy me a real cocktail or a professional hand job. Now THAT'S a friend!

*Brad Loekle is a comedian based out of NYC. He can be seen Thursday nights on TruTV's "The Smoking Gun" at 9PM & produces the longest running weekly gay comedy show in New York.*

## **Aquarius**

**Jan 20 – Feb 18**

We've learned that duct tape can solve massive design flaws. It can also help you in social settings. Simply place a large piece of duct tape over your mouth and watch your popularity soar.

## **Pisces**

**Feb 19 – Mar 20**

This month may be trying for you and your boyfriend however, remember that you are not Mel Gibson and your nasty voice mail will not make you famous. It just makes you an ass!

## **Aries**

**Mar 21 – Apr 19**

Much like The Hills, your relationship has come to an end. Seems fitting since watching either one was boring at best. Plus, your boyfriend was about as faithful as The Hills fans.

## **Taurus**

**Apr 20 – May 20**

Feeling useless this month? Well if Sally Cohn can make hand whistling into a talent, perhaps you can use your hands for something. You will need to stop masturbating long enough to practice something else however.

## **Gemini**

**May 21 – Jun 20**

Now that BP has been able to cap the well, there is now hope for you. We just need to learn how to convert that technology to your mouth and then maybe you'll finally have a chance to get laid.

## **Cancer**

**Jun 21 – Jul 22**

It's getting hotter and as it does, you will need to start bathing more often. Let's start with at least once a week and keep improving from there.

## **Leo**

**Jul 23 – Aug 22**

We encourage everyone to spay and neuter their pets. Now if we could only get you to do the same, perhaps you'll stop humping everyone's legs.

## **Virgo**

**Aug 23 – Sep 22**

There are reports that the Taliban is training monkeys to hold and use firearms. If that's possible, maybe you can finally be taught to use silverware.

## **Libra**

**Sep 23 – Oct 22**

It's really time to update your pictures on Manhunt. It's quite obvious they aren't current pictures with a Victrola and an oil lamp in the background.

## **Scorpio**

**Oct 23 – Nov 21**

So you've chosen to be celibate. Just to clarify things for you, when you're ugly, it really isn't a choice.

## **Sagittarius**

**Nov 22 – Dec 21**

This will be a good month for you. You're finally going to get laid. You will also learn a lesson about not carrying a wallet when responding to an ad from Craigslist.

## **Capricorn**

**Dec 22 – Jan 19**

You're such a loser that I can't even bother writing a whore-o-scope for you this month.
