

2026 Media Kit

Thank You for considering Q Magazine for your advertising needs.

Q Magazine is the only gay information magazine exclusively serving Key West.

Originally started 20 years ago as "The Gay Rag," the name was changed in 2012 to attract a broader reader base. Since the change, circulation has grown.

The target market is gay visitors looking to find information about Gay Key West. In addition, locals pick it up to keep up to date on local events, check out the pictures, and read campy columns like "Ask Nana", famous comedian Brad Loekle's column, our local "Lez Go Out" feature and "whore-o-scopes."

Q Magazine is printed monthly and distributed on the first of the month to gay guesthouses, businesses in the "pink triangle," gay bars, the Key West Business Guild, and many other businesses in town.

As an added benefit, the magazine is also available on-line. Our website averages over 70 visitors a day!

Distribution

Many visitors take a copy of the magazine home with them as a keepsake of their trip.

Some people share their issue with friends that express an interest in Key West.

Advertising is ineffective if it reaches the wrong people.

Q Magazine targets the LGBT market. Each month, we print 2500 copies and of those, 2000 copies reach this lucrative demographic.

We deliver magazines to every guesthouse identified as “gay.” We also distribute to all of the gay bars, the Key West Business Guild, and other gay friendly businesses throughout Key West.

A complete list of the venues that we deliver to can be found on our website at www.QKeyWest.com.

Q Magazine is brought to travel expos and gay events all over the country such as Gay Days in Orlando, Market Days in Chicago, San Diego Pride, Atlanta Pride, Palm Springs Pride, and others.

During the summer months, issues are sent to Provincetown and Cherry Grove, Fire Island.

Our website has every previous issue available so advertisements continue to work long after the issue is off the shelves.

Calendar

Q Magazine is a proud member of the Key West Business Guild, one of the oldest LGBTQIA chambers of commerce.

We have partnered with the Guild to be the official guide for many of the annual events. Due to this partnership, we have a much larger distribution during those months making them an even better value.
